## The Sale Offering

In presenting this, our 39th Annual Sale Catalogue, we will attempt to give prospective customers (for Shorthorns and Berkshires) a brief description of the Cattle that are to be sold. The bull offering consists of eleven yearlings and one three year old.

Lots 9 and 10 are sired by the first son of Supreme Goldfinder, Supreme Gold Reserve. They are both low set, thick, close built bulls, with strong bull heads, and lots of quality. The Goldfinders breed on. These are not only grand sons of Supreme Goldfinder—they are out of two of our very best Fair Constance cows and their dams are both sired by Divide Advance 2d, a son of the International Grand Champion, Browndale Goldspur. They will make excellent herd bulls for their buyers. Three more Fair Constance bulls will be found in the catalogue and any one of them are the very best of herd bull material.

Three more sons of Divide Advance 2d and two grand sons make up the bull offering that we are proud to present.

In our female offering, as a special attraction, we are including twelve of our best young cows, either with calves at foot or close to calving to the service of either Beathton Royal Knight or Golden Victory, our full brother to Supreme Goldfinder. They all belong to our old established families, and all the bulls appearing in the pedigrees have been good. Among these cows will be Faustiana Melody, the dam of the great sire, Goldfinder, Lot 18. Her performance stamps her one of the greatest breeding cows of the breed, and the fact that she will calve in November to the service of Calrossie Prince Peter, a Perth Supreme Champion, and he in turn is out of the greatest breeding cow in Scotland, at least, the only cow that ever produced three Perth Supreme Champions. We want to point out that the dam of Prince Peter was also the dam of Calrossie Control, and he in turn was the sire of Calrossie Mercury, the great Edellyn herd bull.

According to the record, this cow has already made and, considering the bull to which she is now mated, the purchaser will have the right to expect the coming calf, either bull or heifer, to be as valuable as anything sold in recent years.

The two Fair Constance cows offered are twins out of our most productive cow, Fair Constance 6th. They are a pair of grand young cows, each carrying her third calf.

Five females of the Sweetheart family will be found. This has been one of the best families in the herd for years. In fact, ever since Diamond Goods out of Sweetheart by Victorallen won first prize as an aged bull in 1909 International, twenty-three years ago.

There are two beautiful, dark colored heifers, sired by Imported Cruggleton Aspiration, the great breeding bull used in the Sni-A-Bar herd, one of these is a Sweetheart and the other a Clipper.. Both are

bred to Golden Victory, our full brother to Supreme Goldfinder.

Several of our Queen of Beauties will be found, among them a pair of dark roan twin heifers that are most attractive. This is probably our oldest family of cattle and is one of the most reliable we have ever had. They have always been very prolific. There are three Fair Beauties, a cow, one bred heifer, and one open heifer. Fair Beauty by Fair Ares Sultan was the greatest bull producing cow we ever owned. She produced six bulls, all sired by Village Supreme, that were sold for near record prices and each went to head one of the good herds of the country. One went to Sni-A-Bar and one to Merryvale, one to Prescott of Michigan and Standard Supreme to a syndicate of breeders in Illinois. We can recommend any one of these Fair Beauties.

In order to make a well balanced sale, we have drawn heavily on the young cows of our breeding herd, some with calves at foot, others due to calve in the next sixty days. Practically all the bred heifers are safe in calf to Golden Victory, our full brother to Supreme Goldfinder. We want you to see this bull sale day. The cattle are not highly fitted, but are in shape to go on and do the most good for the purchaser.

## OUR FAIR CONSTANCE CATTLE

Please note that five of our bulls and two of the best cows belong to this family. Twenty-five years ago, we gave Leslie Smith an order to import us a good heifer from the herd of Wm. Duthie, at that time the best herd in Scotland. He bought Fair Constance, sired by Knight of the Thistle. We have produced some wonderful cattle descending from this cow. The ones in this offering are a good sample. Study the pedigrees, look the cattle over carefully, and you will have to agree that they are a good lot.

**Faustiana Melody is the  
Dam of  
SUPREME GOLDFINDER**

Faustiana Melody is a great individual. She is very close to the ground, has wonderful quarters, nice tail setting, with a splendid head. She is the rugged, close built kind, the type we must have to maintain weight for age over other breeds. She has already demonstrated her worth as a breeder by producing Supreme Goldfinder, the bull that Husted Bros. sold to Russell Kelse for \$7000.00 to head the Merryvale herd.

She produced the red yearling bull, Golden Victory, that we are retaining for chief herd bull. Next is her red heifer calf, Christmas Melody. That her calves will breed on has been well demonstrated by the get of Supreme Goldfinder, shown at the 1941 International by Husted Bros., winning Junior and Grand Champion bull, Junior Champion heifer, first on get of sire, and the Thos. E. Wilson trophy for the best bull and female.

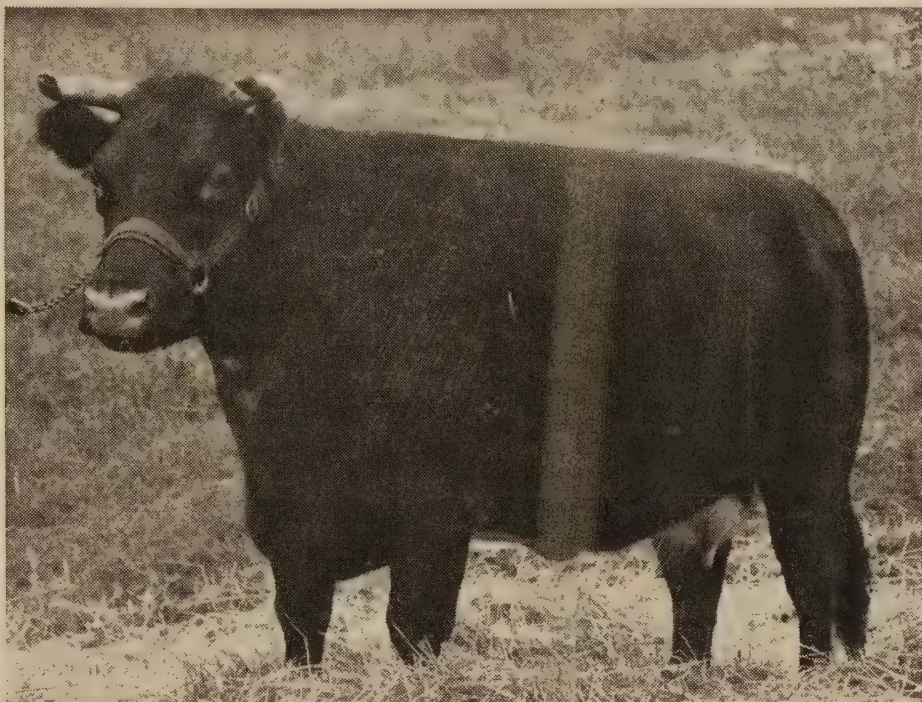

Surely the above record of production stamps Faustiana Melody as one of the greatest breeding cows of the breed. She is due to calve in November to the service of the Perth Champion bull, Calrossie Prince Peter, heading the great Miles of View herd. His dam, Princess Mona, produced three Perth Supreme Champion bulls, Calrossie Royal Emblem, Calrossie Prince Peter, and Calrossie Control, the sire of the Edellyn Farms Perth Champion, Calrossie Mercury. We naturally dislike to part with this grand breeding cow, but we are retaining her last two calves, a full brother and sister to Supreme Goldfinder.

Bred February 13 to Imp. Calrossie Prince Peter.

Queen of Beauty 95th and 96th are a beautiful pair of very dark roan heifers. They are out of one of our best breeding cows, and they have a pedigree which we regard very highly. They are not only Queen of Beauties, but the eight top sires in the pedigrees would have to be rated as the eight best bulls we have ever used. Both of these heifers are almost polled. The dam of Supreme Commodore had very small loose horns and in several of the offspring we have gotten almost polled cattle. These heifers are safely settled to the service of Golden Victory, the full brother to Supreme Goldfinder.

# The Berkshire Offering

---

## ANNOUNCEMENT

---

We want both hog men and cattle men to study this whole catalog and to inspect both offerings sale day. You will like the quality of both offerings.

We have not shown or graded our hogs. They will show for themselves sale day. They are the right type, and are now making good impressions on all who see them.

We do want to call special attention to Berkshire breeders who need a good boar, and we know there are many of them, to our junior yearling, Fashion Plate 2d, and to the great fall boar, War Admiral by War Eagle, the 1st prize senior yearling boar at the Nebraska State Fair this fall. These are two outstanding boars and worthy of a place in a good herd. You can see the get of both of them sale day. We are offering a great lot of young boars and gilts. One reason for selling the hogs and cattle the same day is the tire shortage. We thought by combining the sales that in many communities Shorthorn breeders and Berkshire breeders possibly could come to the sale together, and one truck could take both cattle and hogs to the same community. We will be glad to furnish crates when necessary, purchaser to return the crate to the farm.

---

## GENERAL INFORMATION

---

**TIME**—Immediately after the cattle sale, or about 3:30 p. m. Hogs are stalled in a tent during the cattle sale so that those not interested in the cattle will have ample opportunity to carefully look the hogs over.

**GUARANTEE**—All boars are guaranteed breeders, if not allowed to run with the herd, or satisfactory settlement will be made. We reserve the right to try any questioned boar. Gilts are open. We have been breeders for many years and are glad to make right any defect in the breeding stock we sell.

**TERMS**—Cash.

**IMMUNITY**—The entire offering has been given the double treatment for cholera and erysipelas.

**ENTERTAINMENT**—Lunch will be served on the ground.

**MAIL BIDS**—Mail bids may be sent to the fieldmen or auctioneers in our care. They will be honorably treated.

**FIELDMEN**—Willard Britten, Berkshire News; Matt White, Wallace Farmer; Jack Miller, Corn Belt Dailies.

**AUCTIONEERS**—Jack Halsey, Des Moines, Iowa; Les Taylor, Maryville, Missouri.

All hogs are recorded.
